MEMORANDUM FOR:
European Focal Point/FC
VIA: Deputy Director for Operations
FROM: Director of Central Intelligence
SUBJECT: European Trip

1. The quality of the briefing books provided for my European trip was superb. There were very few issues that were raised that I had not been adequately briefed on, and no areas of interest which were not thoroughly covered. I commend you very highly for the time and effort that went into this well-received product.

2. Additionally, you were the focal point for coordinating all aspects of the trip, and your superb performance is evidenced by the fact that there were no surprises--it was a smooth and well-handled trip.

25X1 Dear []

My wife and I do want to thank you for the generous hospitality you extended us in absentia. If anything could have been more delightful for us than staying in your sumptuous quarters, it would have been to have had an opportunity to visit with you as well.

25X1 I can't tell you how superbly [] and the entire staff treated us while we were there. Every last detail was superbly arranged from the moment we walked in the door until we left.

25X1 Beyond this, the entire visit was most productive from my point of view. I particularly enjoyed the opportunity to lunch with [] who is a charming person indeed.

I hope we'll be able to cross paths here or there again before long and to keep in touch in the meantime as appropriate. Again many, many thanks for your wonderful hospitality.

Yours,

STANSFIELD TURNER
